When: Onsdagen 7/7, 12.00 -14.00.

Where: Visby Arbetareförening, S:t Michaelsgränd 2.

Language: English

Europe's financial crisis grows deeper and deeper. A banking and fiscal crisis turned into a structural debt crisis and endangers the European monetary and economic project. Has political reaction been strong enough to weather off the storm? What are we heading for?

**Sony Kapoor** Once an investment banker at Lehman Brothers, now an advisor on macroeconomic and financial market regulations to governments, international agencies and the European Parliament. Kapoor is also the managing director of the international think tank Re-Define. [www.re-define.org](http://www.re-define.org)

**Katrine Kielos, journalist**, editorial writer for Aftonbladet and a sharp analyst of European economic affairs.
